THE COMPLETE SOLUTION

The Clever Pure Slim Ultrafiltration Water Treatment Unit with All-in-one 4-stage water purification filter is designed to improve the quality of drinking water by naturally filtering out harmful bacteria and bad tasting elements, whilst preserving all its original minerals.

SMALLER THAN SMALL

The super slim design provides a convenient space-saving solution, especially for smaller kitchens.

The Clever Pure Slim under counter unit is so compact, it can be installed in the furniture under the sink, without compromising the aesthetics of the kitchen.
Dimensions: 250 x 136 x 354mm (L x W x H)

CLEVER PURE SLIM AT A GLANCE

- Patented 4-stage filter, provides clean and safe water
- Super long lifetime filter(12 months), saves you money
- Change the filter easily yourself, no need for after-sales services
- 1.5L/min of pure water, to meet your daily water needs
- Super slim and fashionable design, saves space
- Flexible and unrestricted installation options

CLEVER PURE SLIM ADVANTAGES AND FEATURES

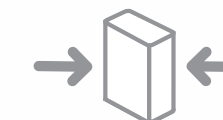

NO ELECTRICITY NEEDED

No electricity is required to operate the unit

NO MORE PLASTICS

Eco-Friendly by reducing the need for purchasing plastic bottled water

SLIM AND COMPACT MODERN DESIGN

Slim and compact for easy installation even with limited space

SAFE HEALTHY WATER

Provides clean and safe healthy drinking water for the entire household

ALL-IN-ONE 4-STAGE ULTRAFILTRATION

Patented water purification filter using ultrafiltration

EASY TOOL-FREE INSTALLATION AND FILTER REPLACEMENT

D.I.Y. Tool-free maintenance can be done easily at home - no need for an installer

The Clever Pure Slim ultrafiltration water treatment unit carries a **3 Year Guarantee**

PROMINENT FEATURES OF THE ALL-IN-ONE WATER PURIFICATION FILTER

Polypropylene
Reduces the particulates, sediment rust and sand.

Ultrafiltration
Reduces unwanted organisms and bacteria

12 Months
Recommended life span

Carbon Filtration
Reduces the chlorine and absorbs smaller particulates.

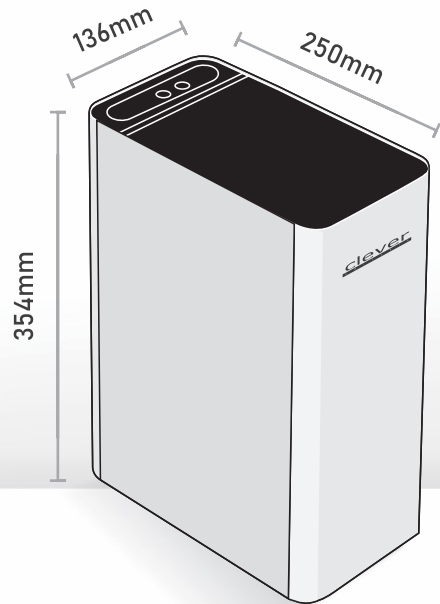

Odour Reduction Carbon Filtration
Reduces the odour and smell whilst providing clean, great tasting water

Direct to the tap.

CLEVER PURE WATER TREATMENT TAPS

The New Clever Pure Fountain and Clever Pure 3-Way Taps, used in combination with the innovative Clever Pure Slim Ultrafiltration unit, becomes an expertly coordinated set and the ideal all-in-one solution for bringing optimal water quality to the home. A perfect synthesis where stylish smart tap design meets leading-edge, 4-stage water treatment technology.

METAL FREE

The METAL FREE Technology guarantees that the water leaving the ultrafiltration equipment will not come into contact with any element or piece of metal and thus its flavour and mineral properties will not be altered.
